Or as we say in Lincolnshire...Ey up!

From the moment you step inside one of our homes, you'll discover sumptuous modern living which has been designed, crafted and built to high standards.

Having developed across Lincolnshire for over the past 35 years, we enjoy an enviable reputation for not only building homes of superior quality but also creating attractive well-planned developments where new communities grow and flourish. Basically we build lovely homes in great settings.

The same care and attention is given to all the new homes across our stunning range. So whether you are taking your first steps onto the housing ladder, securing a home for your growing family, or looking to downsize we have a new home for you.

RELAX... they're Chestnut Homes

3

We are very proud to be building in the historic village of Wyberton. All the new homes have been designed to reflect the semi-rural setting and include a palette of materials that are traditionally found in and around the area. The Quadrant will not only boast some 500 new homes, but also shopping facilities, restaurants, food outlets and a hotel. There is also a new community stadium for Boston United on the far side of the A16.

The historic and vibrant market town of Boston is less than a 10 minute drive away, so whether you are looking for an excellent school for the children, great shopping or a fantastic night out, all this can be found in this charming market town.

So relax, they're Chestnut Homes!

We love building our new homes, and we hope you will love living in one.

A family of four is captured from behind, standing in a vast field of tall, golden grass. The scene is bathed in the warm, soft light of a sunset or sunrise, with the sun low on the horizon creating a bright glow and long shadows. A young girl in a striped shirt sits on the shoulders of a man in a red plaid shirt. A woman in a red plaid skirt stands next to him, holding a young boy in a striped shirt and a hat. The background shows rolling hills under a clear, hazy sky. The text 'WYBERTON BOSTON' is overlaid in a thin, blue, sans-serif font across the middle of the image.

WYBERTON
BOSTON

The perfect balance

OUR HOMES

The homes at The Quadrant offer the perfect balance between old and new. The architecture of the older part of the village has been reflected in the exteriors of the new homes but behind the traditional exteriors, we have created great flexible living spaces. You can then use the space we have created to suit your needs, lifestyle and aspirations.

COMMUNITY

With a wide range of new homes and extensive facilities, The Quadrant has become a real community.

The layout of the development has been carefully planned to create a traditional style neighbourhood which includes extensive cycleways, footpath links, and lovely areas of open space that all combine to create an attractive and safe place to live and work.

ENVIRONMENT

Being so close to the beautiful coast offers great opportunities for fantastic days out, but it can also raise concerns about potential flood risk. Don't worry, all the homes at The Quadrant have raised ground floor levels, which take into account the effects of future climate change. Some properties also have the benefit of flood resilient construction, which means that water should not enter your home even if it rises above floor level. So if you choose to move to The Quadrant, you can sleep soundly in the knowledge that your home is protected from day one.

We will be continuing to create large areas of open space, which will be linked by attractive swales. The swales not only look great and add to the rural character of the development, but are also a key part of the sustainable drainage system where rainwater is cleaned as it moves through the site – so water leaving The Quadrant is cleaner than the rainwater falling on it – how cool is that!

THE
QUADRANT

Driven by the need to provide a new home for Boston United and its fantastic community programme; the need for new homes; the desire to bring forward the first part of a distributor road network to help ease Boston's traffic issues, and our commitment to Boston and the surrounding villages, this development was conceived over many years.

We are also delighted that the first of the new commercial/leisure units on the development and the new Boston United FC Community Stadium are now completed and open.

We are proud that our plans for this fantastic new development are now a reality, the link from the A16 is in place and the distributor road is complete.

We are delighted to offer the next phase of new homes for sale.

We have used all our years of experience to create your new home at The Quadrant.

Our designers are pretty obsessed with detail, and it shows in every new home that we build. We like creating stunning kitchens where you will not only love to cook, but also socialise by taking advantage of the great open plan layouts.

We also love adding lots of beautiful fitted bathroom furniture to hide away any clutter, leaving sleek clean bathrooms, ensuites and cloakrooms that will be the envy of your friends.

Our friendly staff are on hand to help you choose the finishes that will complete your dream home (in fact it's probably the favourite part of their job!).

Whether you prefer country classic styling or the contemporary look, we have the designs to suit your individual taste, and our range of contemporary square edge worktops complete the look – giving you your dream kitchen.

What others call “extras” – we love fitting as standard.

We offer three levels of specification based on the floor area of your new home:

PREMIUM RANGE 🌿

PREMIUM PLUS RANGE 🌿

PLATINUM RANGE 🌿

The specification is shown on each brochure page.

SUBSTANCE

KITCHENS

The kitchen is at the heart of the home, so we take special care to make sure it works as good as it looks. Choose from contemporary or traditional styled cabinet doors, all featuring the latest square edge worktops. Sleek stainless steel built-in appliances complete your beautiful kitchen.

BATHROOMS

We spend lots of time perfecting our bathrooms so you can enjoy that long soak in the sleek white Pura bath which you will find snuggled perfectly next to the Roper Rhodes fitted bathroom furniture. Showering is provided by thermostatic Aqualisa showers. So if a long soak in the bath is not your thing, hop in the shower for an invigorating blast, and then dry your towels on the shiny chrome towel rails that are fitted to many of our homes.

TILING

Porcelanosa wall tiles sourced from Spain complete our bathrooms, ensuites and cloakrooms. We have a stunning range to choose from, so whether you are looking for crisp white or a bit of texture and colour we have the tiles to suit your taste. Some of our homes also have beautiful tiled floors, ask one of our staff for full details.

KEEPING YOU WARM

We fit really high levels of insulation in the loft, walls and floors of your lovely new home. This not only keeps you and your loved ones nice and cosy, but will also help to keep those fuel bills as low as possible.

QUALITY FIXTURES AND FITTINGS

SECURITY & SAFETY

Security comes first with multi-point locks to all external doors, so you can feel safe in your new home. Mains wired smoke detectors ensure that you can sleep safe in the knowledge that your home is being monitored. UPVC windows help with security, and are of course low maintenance leaving you free to enjoy your new home and your leisure time.

BUILT-IN WARDROBES & STORAGE

Most of our new homes benefit from at least one stunning built in wardrobe, which you can style to suit your taste and decor. Where possible we have also provided cupboards for extra storage (you can never have enough, and we all need somewhere to store the Christmas tree!). Our friendly staff can give you full details... just ask!

CONNECTED

All homes at The Quadrant can benefit from a fibre network for that all important broadband connection. All the wiring is brought into your new home, so you just have to sign up with a provider to get connected. Beautiful contemporary switches and sockets are provided in key areas of your new home, and we even include USB sockets to make charging your phone or iPad (other brands are available!) as easy as possible.

PEACE OF MIND

We are very proud of our 'A Rating' with the NHBC (the highest you can get), which means you can buy from us with confidence. The NHBC Warranty lasts for 10 years. Pretty much everything in the first two years is covered apart from wear and tear, and the following 8 years ensures that all the main structural parts of your home are covered to give complete peace of mind. You will be provided with full details of the Warranty.

Well over 95% of purchasers responding to our questionnaires say they would buy from us again, so we must be doing something right!
